

ONE COMMUNITY PROGRAM MISSION

HYR and FKCC have joined forces to create one amazing baseball and softball program! This Floyd County Little League program is now one of the biggest and best programs in the state hosting nearly 1,000 youth from ages 4 to 14.

Countless volunteers devote their time and energy to run our ballparks. In addition to our volunteers, the league requires community financial support. Player registrations only account for a small portion of league expenses. All sponsorships/donations help:

- ❖ **Maintain affordable registration fees for all players.**
- ❖ **Provide partial and full scholarships to players in need.**
- ❖ **Purchase quality equipment for the optimal safety and experience of our players.**
- ❖ **Upgrade the park to maintain quality playing fields, facilities, and parking areas.**
- ❖ **Support operational costs including insurance, umpire & coaches training, and website expenses.**

Our goal is provide local children the opportunity to learn sportsmanship, leadership, and provide the ability to play baseball and softball at safe and updated facilities. All donations are tax deductible as both HYR and FKCC are both 501(c)(3) organizations. Thank you in advance for your commitment and support of the Floyd County Little League programs. Your generosity allows our leagues to provide an excellent experience to our players and community each year.
